## DEVELOPMENT SKILLS

---

Languages - Ruby, JavaScript, Perl, HTML, CSS, JQuery

Web Frameworks - Rails

Databases - SQLite, PostgreSQL

Version Control - Git, GitHub

Methodologies - Agile, Object-Oriented Design, Test-Driven Development

## EXPERIENCE

---

### **Festi**

**01/2016 -Present**

Freelance Developer

- Festival management application with over 10,000 users.
- Designed and developed features using Ruby on Rails and PostgreSQL

## NOTABLE PROJECTS

---

### **Communicant**

- Designed as a means of communication for people in the midst of divorce or child custody proceedings. Court-appointed mediators can access the app and help facilitate communication.
- Ruby on Rails app with Angular front end components. My personal contributions include building the API, as well as CSS and JavaScript elements throughout the app.

## OTHER EXPERIENCE

---

### **National Jewelry & Pawn - Wilmington, NC**

**08/2011 -08/2015**

Pawnbroker

- Increased sales of a variety of products such as laptops, video game systems, jewelry, etc.
- Determined the value of many different items and worked with a variety of customers

## EDUCATION

---

### **The Iron Yard, Durham, NC, Ruby on Rails**

**08/2015 – 11/2015**

Attended an intensive three month code school to learn the fundamentals of web development.

Completed web applications daily using Ruby on Rails and some HTML, CSS and JavaScript.

### **University of North Carolina at Wilmington**

**06/2007 – 05/2010**

Studied Saxophone performance with a focus in jazz under Mr. Frank Bongiorno.
